

F107 – Foundations of Computer Science

Lecture 0

Dr. Sanjit Kumar Saha

F107 Foundations of Computer Science

- Foundation course

- Contents

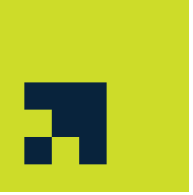

- 1: Introduction (orga), Computer Models, Number Systems
- 2: Data Operations
- 3: Computer Organization
- 4: Operating Systems
- 5: Computer Networks
- 6: Programming Languages and Software Engineering
- 7: Data Structures and Algorithms
- 8: Databases
- 9: Artificial Intelligence
- 10: Buffer & Recap

- Book:

- Forouzan, B. (2017): “*Foundations of Computer Science*”, 4th Ed., Cengage Learning

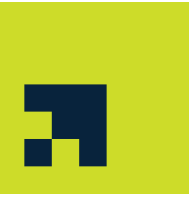

Slide text labeled
“Extra” is not exam
relevant

Organizational

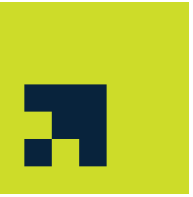

- 50h Directed studies (25h in class, 25h directed/async.)
 - Session count: 8
 - (Almost) Weekly sessions, starting **09/07/26**, last **03/09/26**
 - Session length: 3h
 - 10min recap/discussions, 120min theory, 50min practical exercises
 - Materials for course:
 - Pen, paper, calculator, laptop
- 75h Individual self-paced studies
 - Reading, videos
 - Exercises, practical experience
 - Form study groups of 2 – 4 students
 - CANVAS platform for discussions/questions

Final Grade

- Grade components
 - 70% final exam
 - 15% quizzes in weeks
 - 15% attendance and active participation (esp. for online-only students)
- Final exam
 - Specific date and time (**will be declared soon**), simultaneous for all students
 - Local students take it on paper, remote students online with proctoring tool
 - Fixed duration (90min + overhead)
 - Slide set topics labeled “Extra” are not exam relevant
 - Allowed materials
 - Up to **three** DIN A4 pages with two-sided, self-written, non-copied notes
 - Non-programmable, non-graphical calculator
 - Nothing else (especially no other programs, generative AI tools, messenger apps)

Final Grade

- Quizzes

- Weeks – 4 Quizzes
- Each quiz may grant up to 3.75% of final grade
 - Achieved points in each quiz are independent of one another
- Each quiz has a **submission deadline** (Friday one week later)
 - Contact us in time in case you missed it, so we can re-enable the following quizzes for you! Otherwise, you may be locked out from automatic progression

- Attendance

- In-person attendance for all students in Germany
 - If sick/absent, fill out Absence Form and send to Registry along with proof
- Online-only students must be active in each lecture
 - If you repeatedly are not reacting (not even “I don’t know”), you are marked as absent, although your name may show up in MS Teams
- Attendance points are linearly awarded
